

SSSCC March Club Meeting

March 8, 2010

Meeting called to order by Vickie at 6:15pm with 25 members present.

Old Business:

First order of business was a trailer update from Lynn. Lynn has posted pictures of the progress on the forum. Lynn will continue the next phase of rough electrical, flooring and preparation for installation of the windows and countertops.

Treasurer's Report – Jodee reports the balance in the checkbook is \$5400. Taxes have been paid for the year. Upcoming expenses include \$500 for insurance and consumable costs for the upcoming event weekend. It is that time of year to renew your Membership. The cost for a single membership is \$20 and \$10 for each additional family member. You can pay for membership on-line via the ORM or pay at a club meeting or send a check to Jodee. It is also time to log into OMR and update garages to reflect current cars and classes.

John Jobin and Rex Ayers have been working on signage for TCR. They brought a picture of the sign that is already mounted at the site. There are many options to choose from regarding what is posted on the sign. A very plausible suggestion was made to incorporate a replaceable section that can be changed with each event or need. It was also suggested that the racing schedule be posted at the bottom.

Weather report predicts possible rain on Saturday. It has been predetermined there will be no racing if it rains. Sunday is daylight savings so change clocks forward.

Victor ran over the daily event schedule. Reminder to bring a copy of your driver's license to registration and you will not have to show it each event.

Another work day needs to be scheduled before the first season points event to clean up weeds, etc. Lynn will set a date soon.

Vic and Vickie went to SVT meeting and talked to them about autocross and encouraged them to come out to an event. They made a great effort to dispel their issues with harming their cars, etc.

Annual Tech will be announced in future.

ORM updates

All legal classes are available for garages. Minor discount on ORM was not available.

Lynn checked into it and the feature is only age accountable. He will set it up as discount for less than 16 years old.

Title Sponsor

Natural Beauty Landscaping was our title sponsor last year. They mowed the grass and handled weeds for the title and asked no further payment. This year they wish to continue as our title sponsor but are asking a fee of \$1200, half of their regular rate. This basically covers the use of their equipment. PROPOSAL: Pay \$1200 to Natural Beauty Landscaping and continue to give them the title sponsor role. VOTE: Passed by majority.

PR

Promo cards will be ordered soon so they will be available.

Meeting adjourned at 7:35.
